PH:	3.31

Tasting Notes

Color: Straw yellow.

Aroma: Green peach with tropical and toasty almond notes.

Flavour: Intense white peach, melon and apricot aromas, with mineral and toasty notes.

Winemaker Notes

The fruit was hand harvested and was whole cluster pressed. A prefermentative maceration was carried out for 8 hours. The vinification was carried out in stainless steel tanks at 13°-18°C. 45% of the wine developed malolactic fermentation and 90% of the wine was aged in French oak barrels during 11 months.
