

RESERVA

SAUVIGNON BLANC 2013

CHARACTERISTICS

Varietal Composition:	100% Sauvignon Blanc
Origin:	Casablanca Valley
Vintage:	2013
Yields:	10-14 tons./ hectare

Wine Analysis

Alcohol:	13.4°
Total Acidity:	4.6 g/l (Tartaric Acid)
Residual Sugar:	1.1 g/l
PH:	3.2

Tasting Notes

Color: Straw yellow colour, with greenish hues.

Aroma: Intense aromas of tangerine and grapefruit and asparagus, chili and mineral notes.

Flavour: Fresh and balanced wine, with an herbal and fruity finish.

Winemaker Notes

The fruit was hand harvested and was whole cluster pressed. A prefermentative maceration was carried out inside the press for 8 to 12 hours. The vinification was carried out in stainless steel tanks at 10°-11°C for 21 to 28 days.
